

See any money in sales tax. Also it is one more way to hurt CT small business' and push more and more people out of this state. Ct needs the tax revenue that disposable vape brings in.

Please reconsider this ban.

Good Morning,

I am reaching out about the proposed ban on flavored vape devices. I am a retailer who has been in the field for almost 20 years. We are a location that is by the book especially when it comes to the sale of nicotine products. Over the years I have watched prices on everything skyrocket as profit margins reduce. Flavored Vapes is one of the few things left we can actually make a decent profit off of.

Banning this product will only make it flourish on the illegal market, where Connecticut WILL NOT
